

Lifegroups

Following on from our Lifegroup studies using, 'Life with Jesus' (Tim Chester) we are planning to use a resource produced by The Bible Society called, 'The Bible Course' Combining video teaching, space to chat and share as well as personal reflection and daily readings, this course traces the big story of the bible, showing how key events, books and characters fit together. The Lifegroups will gather four times before Christmas (once a fortnight during October and November) and four times after Christmas. Look out for sign up details or contact the office (office@stormontchurch.org) for more details.
