

## CONNECT SMALL GROUP

Connect Small Groups will recommence a new season this autumn, when we'll be gathering again to explore together what **God's Word** says and how it speaks into our everyday, walking around lives.

We're committed to encouraging one another as we build deeper relationships, grow in faith, and journey side by side. As we share, pray, and seek Him together, we continue to experience **God at work** among us in real and meaningful ways.
